New Product Announcement - August 2015

**FOR IMMEDIATE RELEASE - August 24, 2015**

Dear ,

We are proud to announce the addition of four new products to the Nightforce family of precision optics and accessories. Below you will find an overview of these exciting new additions to our product line with more information available on our website. To locate an Authorized Nightforce Dealer to order these products you can use our "Find A Dealer" tool located at the bottom of this newsletter.

Thank you for your support of Nightforce Optics.

Sincerely,

The Nightforce Team

# New Products

## TS-80 Hi-Def™ Spotting Scope

This latest addition to the Nightforce family is an all-around performing 20-60x spotting scope that retails for \$1,595 (U.S. MSRP).

## Nightforce Flip-Up Lens Covers

Finally, flip-up lens covers tough enough to match our riflescopes. These have been standard on B.E.A.S.T.™, ATACR™ F1™ and ATACR™ Enhanced riflescopes; and are now available as an accessory for NXS full-size and legacy ATACR™ riflescopes. The U.S. MSRP is \$90 per set.

## B.E.A.S.T.™ with TReMoR 3 reticle

Due to customer demand, we are now offering the TReMoR3 reticle in our 5-25x B.E.A.S.T.™. The TReMoR3 is an intelligent reticle with features for rapid holdovers and smart wind calls, as well as quick ranging in the field.

# TReMoR 3 Now Available

## MultiCam Hat

This often requested, Nightforce branded hat is made-in-USA.

This piece of Nightforce headgear features the popular MultiCam camouflage pattern. Additionally, the well known

Rugged. Reliable. Repeatable.™ promise is embroidered above the rear adjustment strap.
